Notice to Performers. To respect all scheduled acts, performances are expected to stay within the time allotted. Performers will be assigned a time slot and a specific amount of time to perform. You must be on time and perform only for the allotted time period. Due to serious extended performances last year, there will be **RED**, **Green**, and **Yellow** lights on both sides of the stage facing the performers, NOT the AUDIENCE. These will inform you as to how much time you have left. Additional information on this will be forthcoming.
